Re: BRC Inc. Company Profile, Location, and References

BRC Inc. is a certified WBE, DBE company. We have been in business for five years.

We have worked on several public works projects for the Port of Tacoma and the Port of Seattle. Also for the City of Kent, City of Buckley, City of Seattle and Tacoma, White Center Heights Elementary, the World Trade Center and the UW of Bothell.

Our projects are not limited to public works, we also do commercial & residential projects.

We specialize in land clearing, demolition, site development, underground utilities, material supply and disposal of unsuitable site materials.

Also, we have our own material supply yard where we stock materials including the following materials: crushed rock, pitrun, pea gravel, drain rock, quarry spalls, riprap, topsoil, beauty bark, etc.

We have our own recycle facility located in Buckley Washington, where we recycle land clearing and demolition materials.

If you have any questions please feel free to call me.

Thank you for your time.

Sincerely,

R. L. STERLEY
